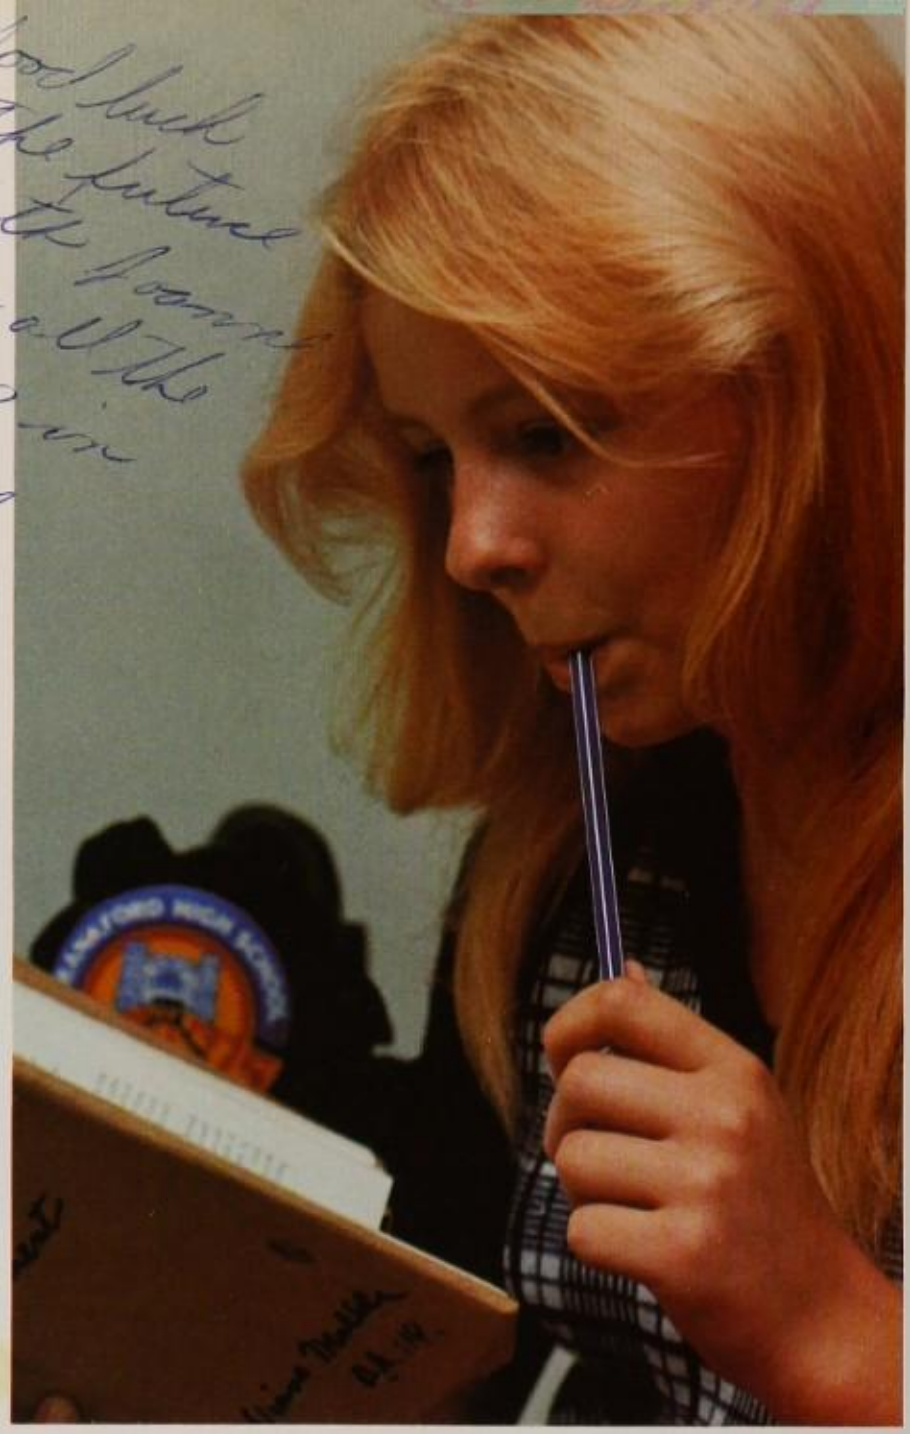
As my life goes on

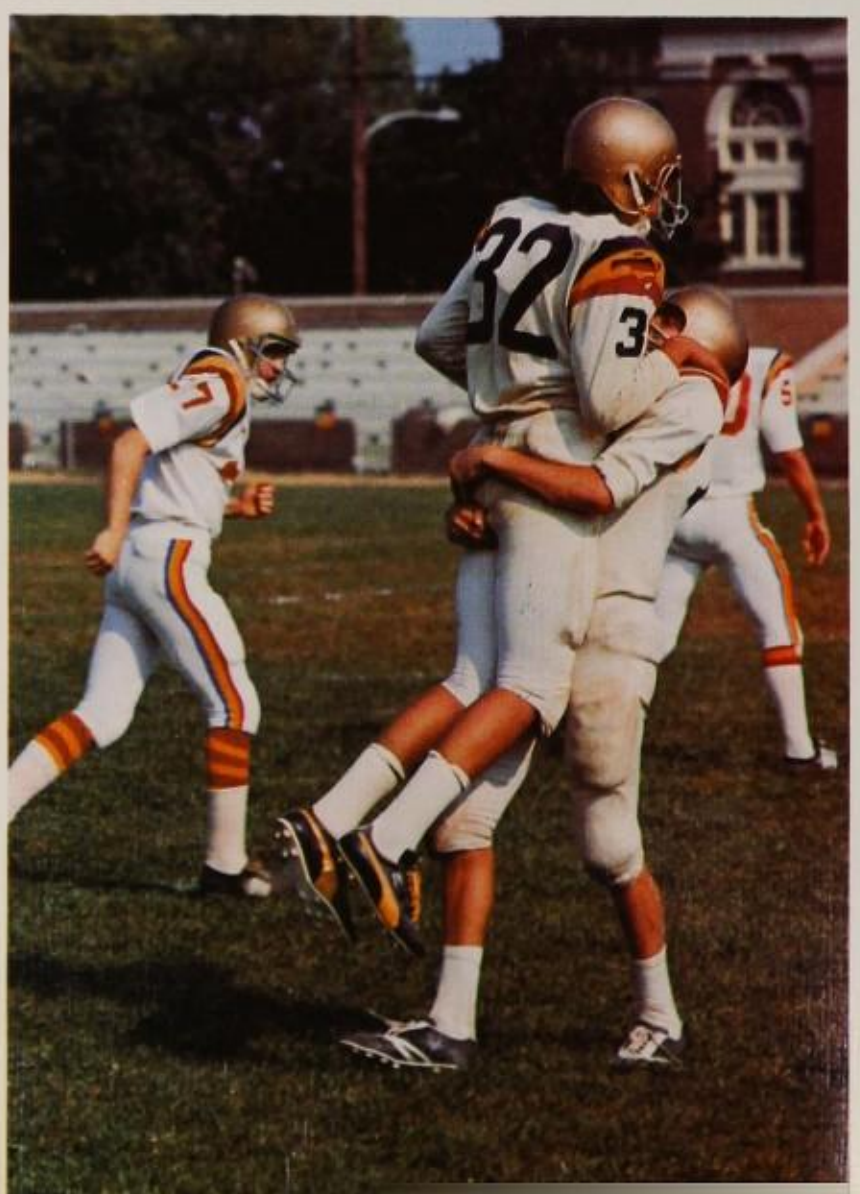
I believe.

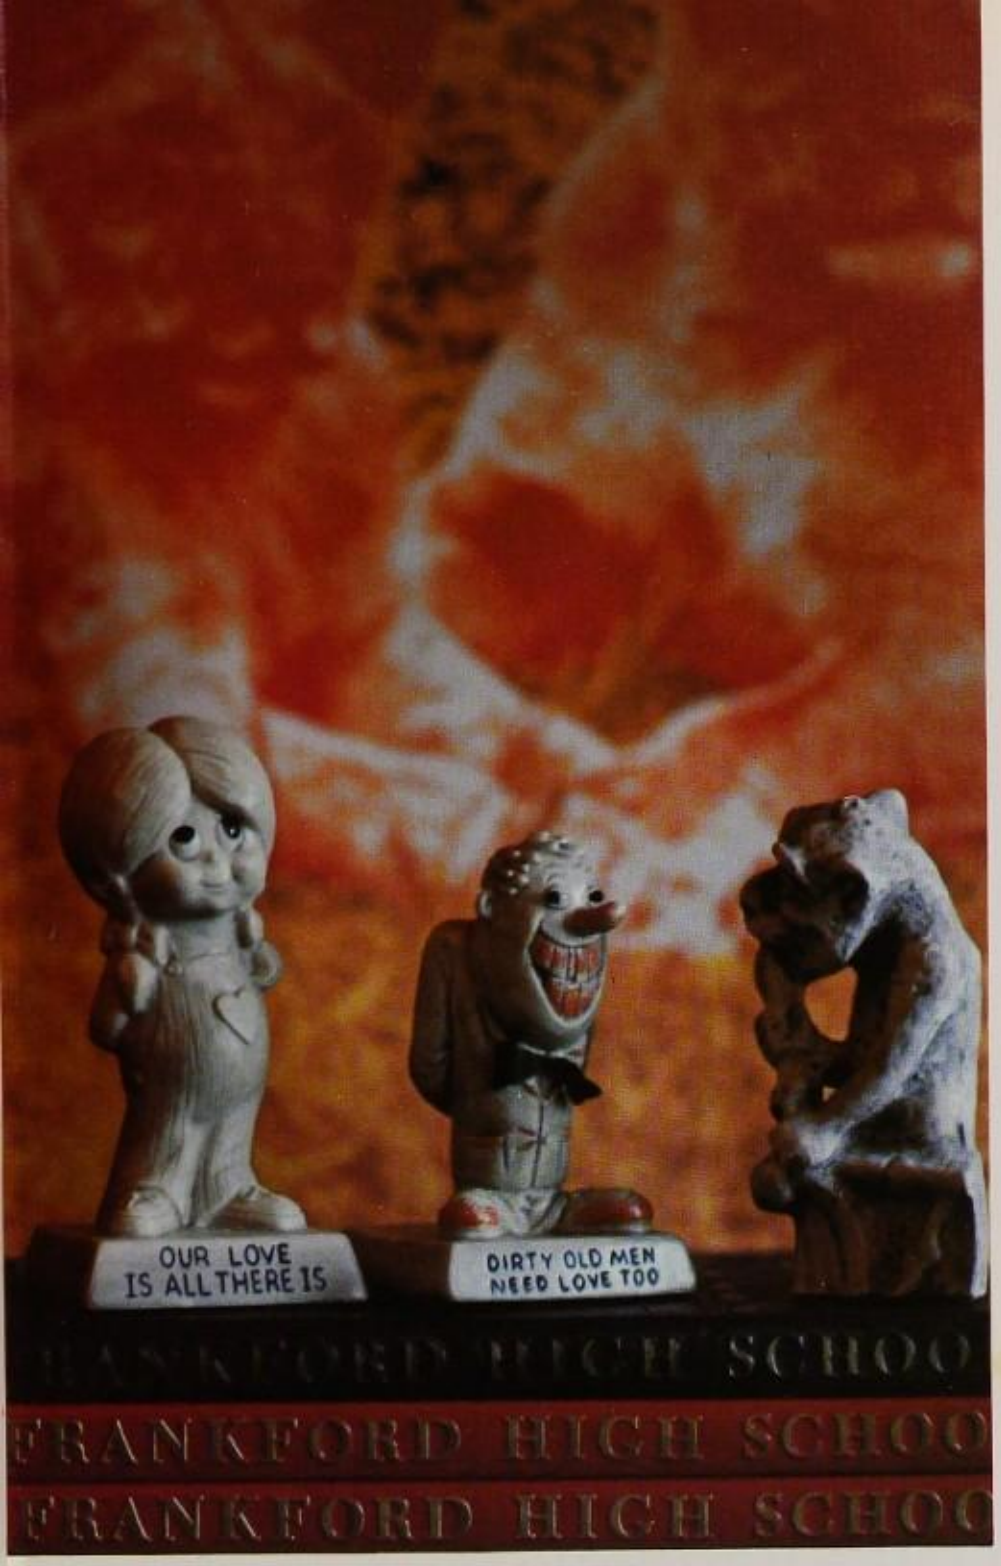
Somehow

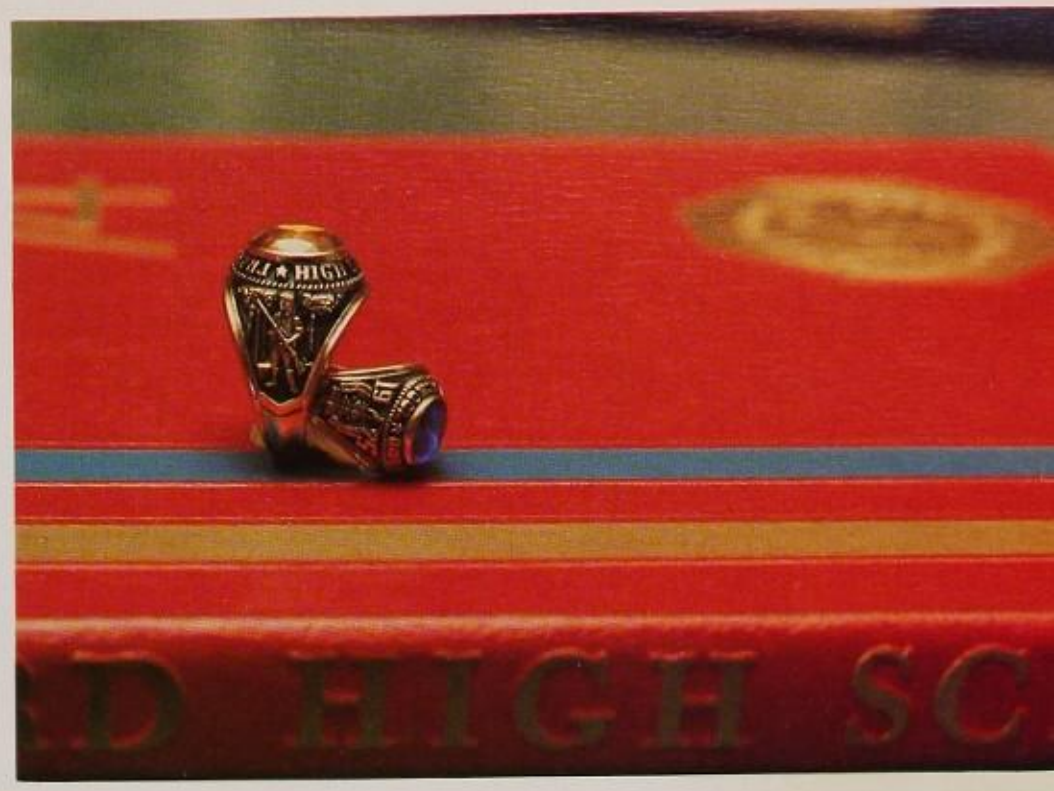
something's changed,...

A part of me.









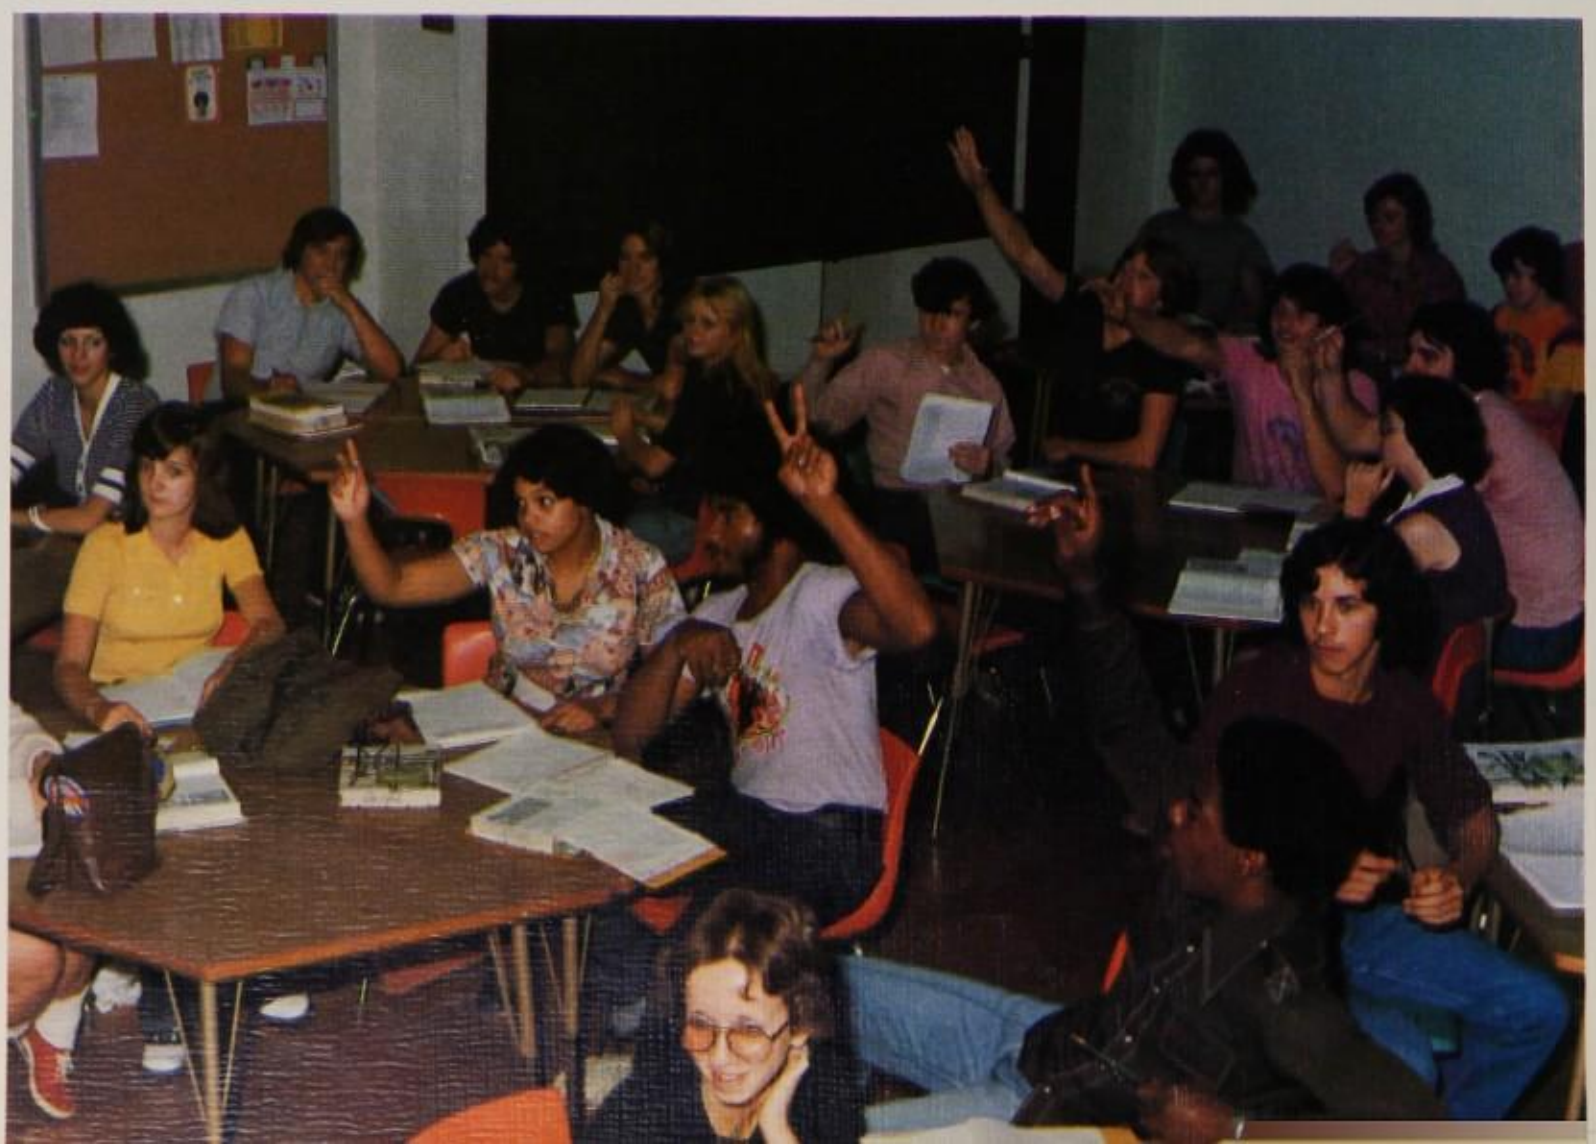
Things I've never known

Changing my life,

Changing me.

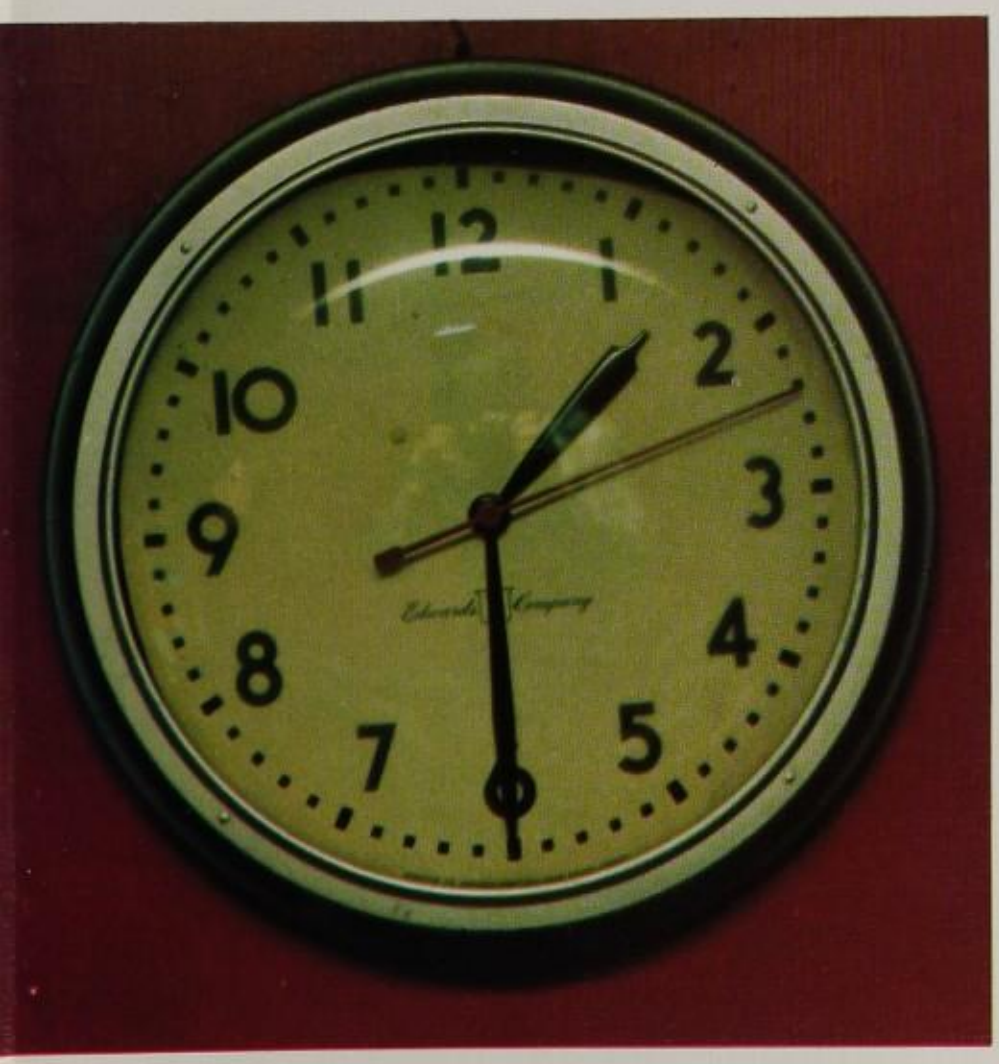
I've been searchin' so long

To find an answer.



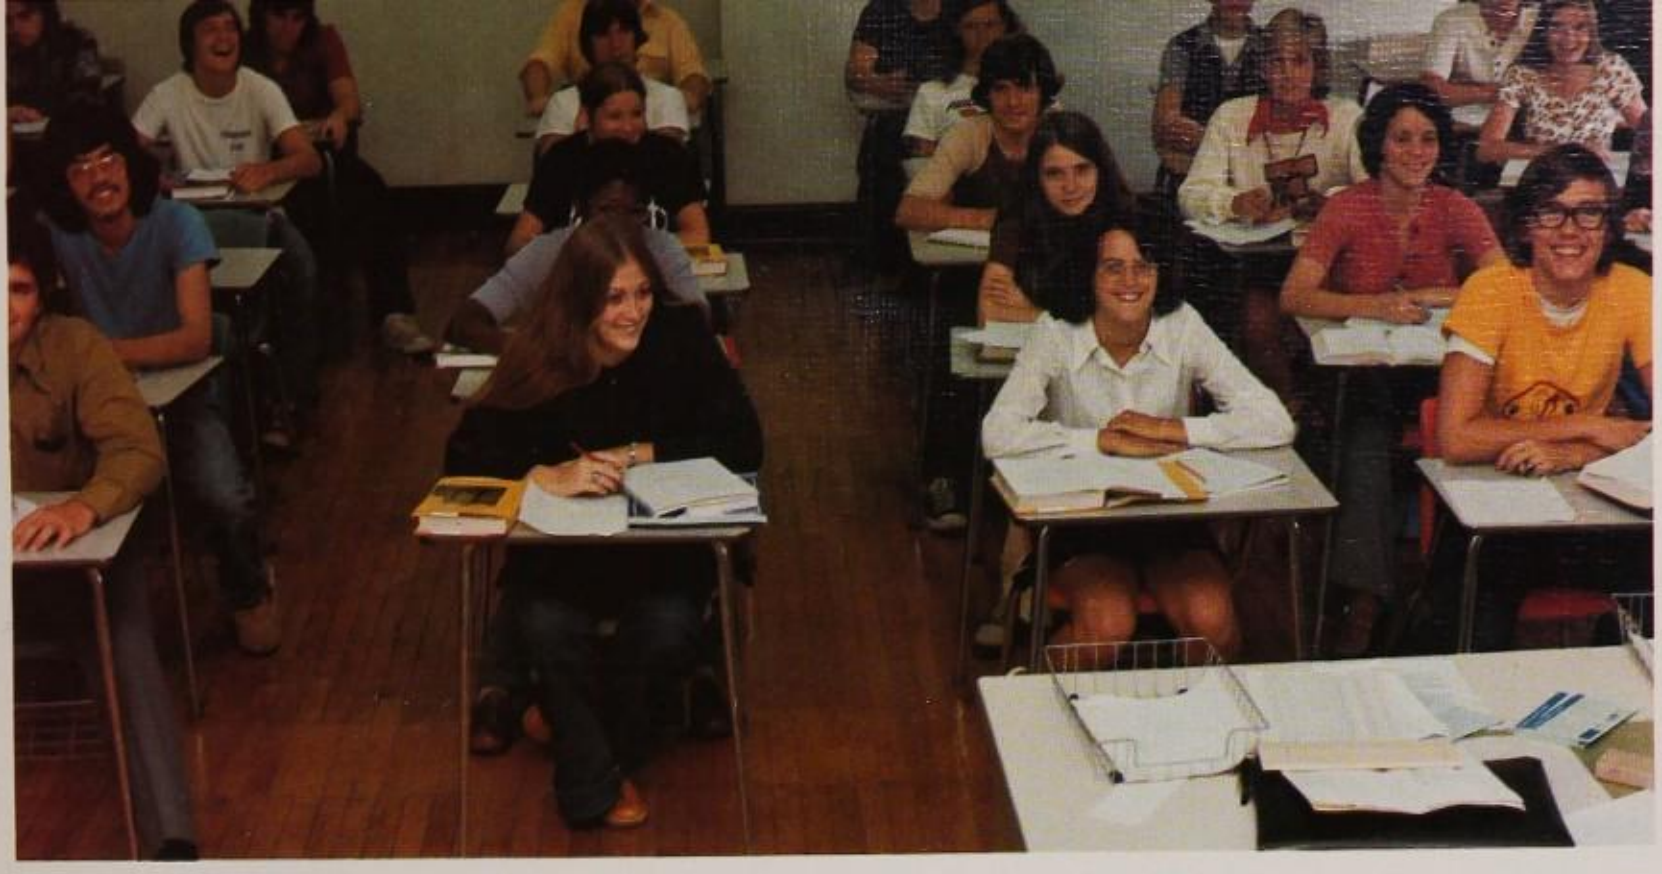
Now I see myself as I am,

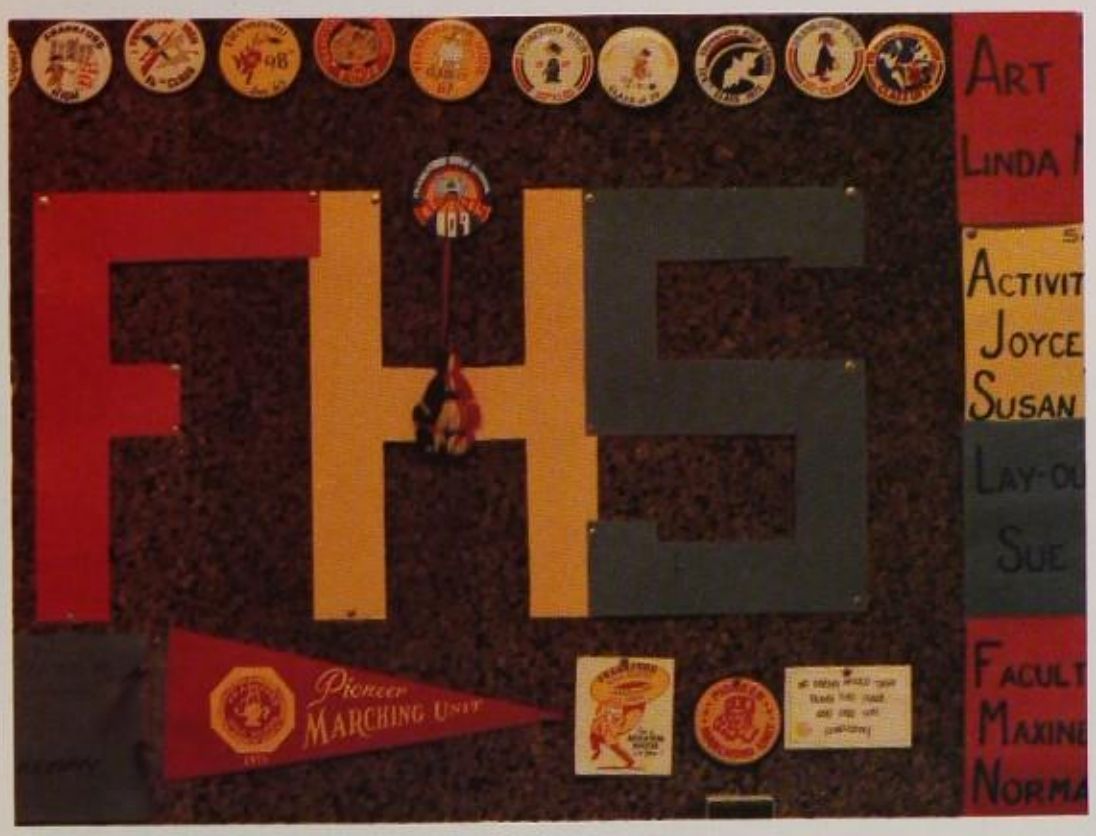
Feeling very free.



Life is everything

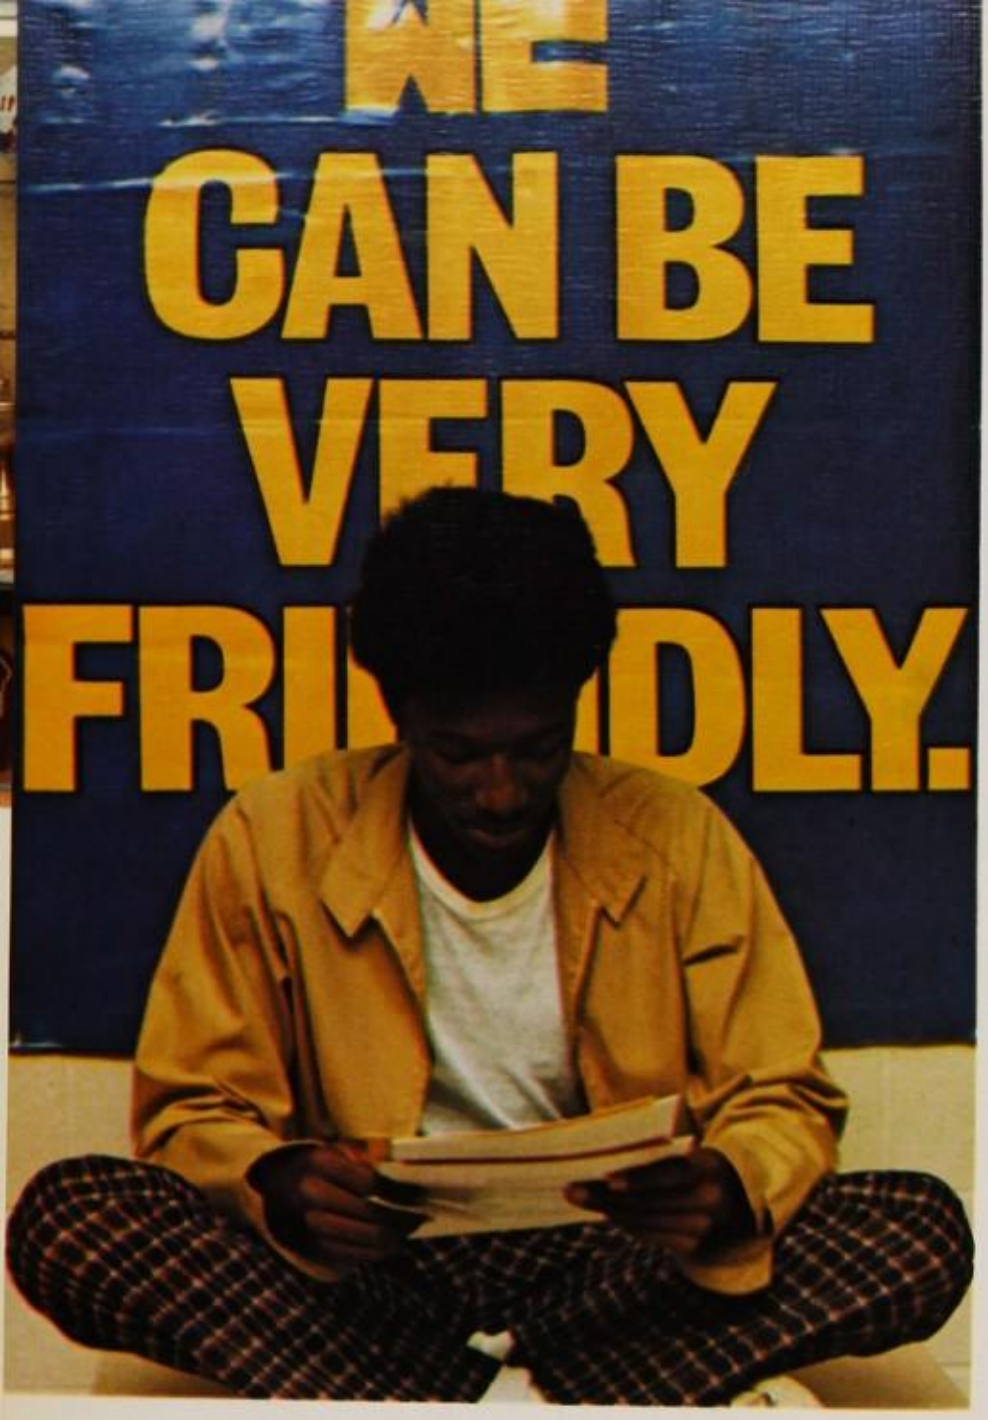
It's meant to be.





What I left behind;

Part of me.



Now I know

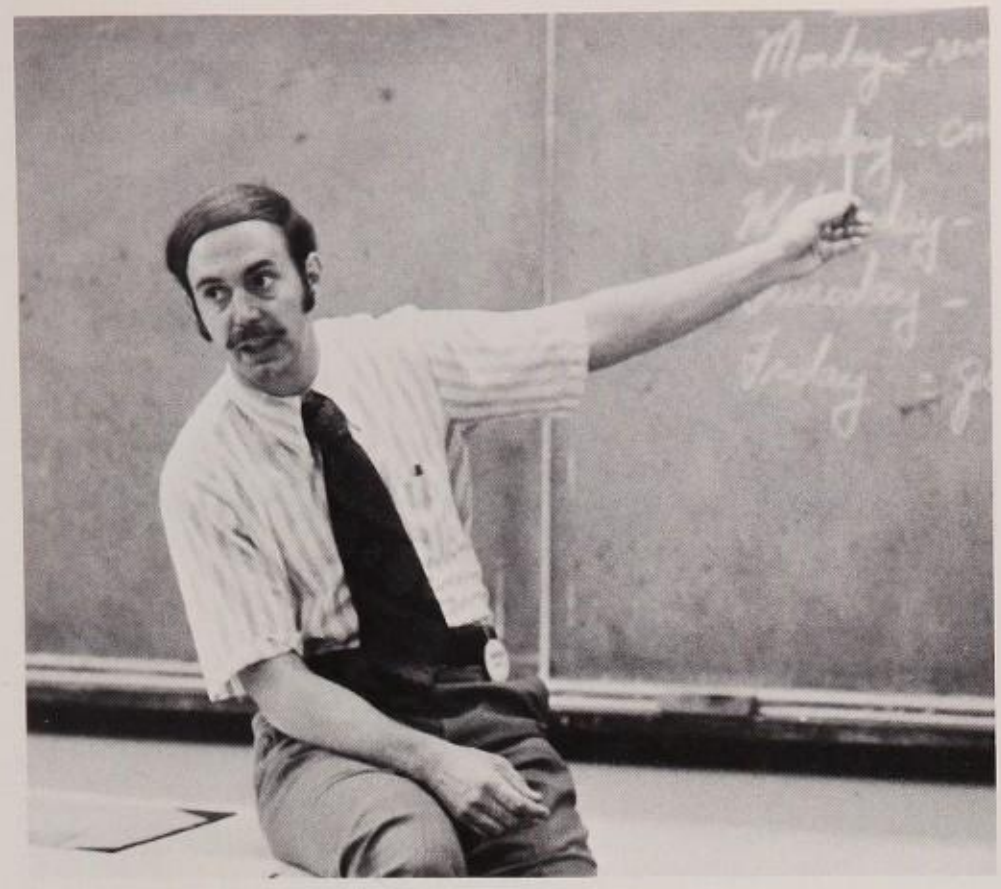
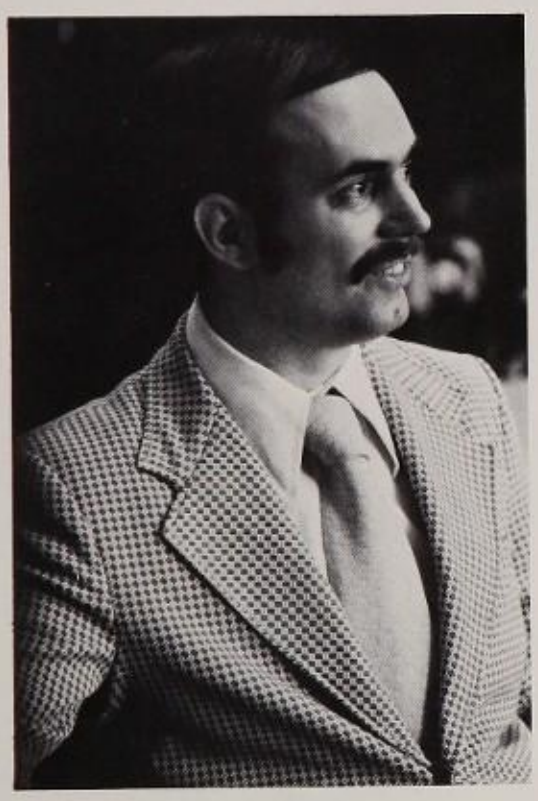
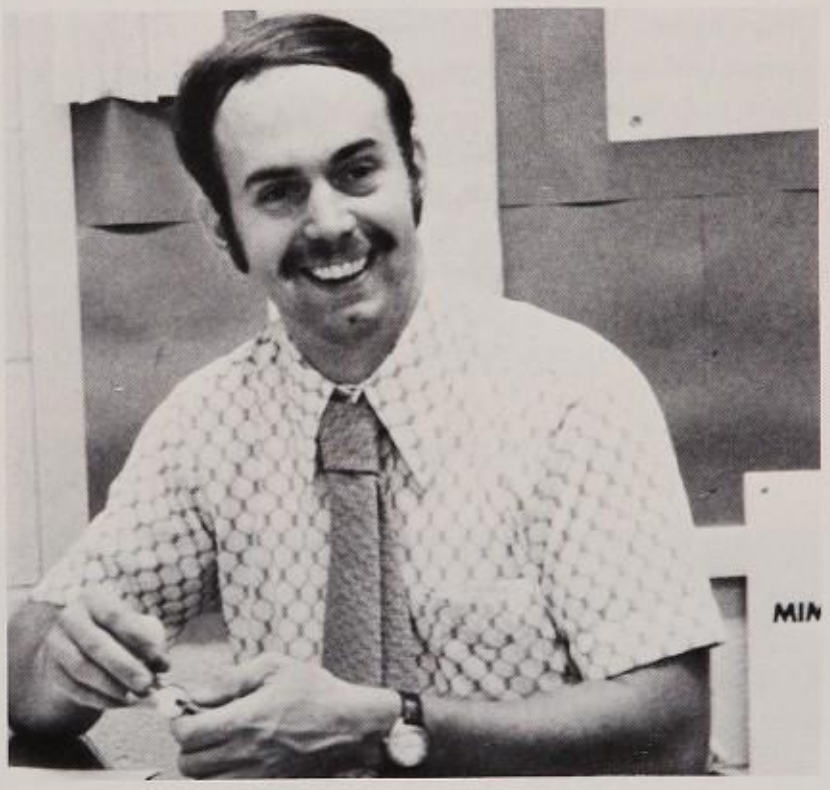
DEDICATION







Yes, it does take a long time to achieve those things in life which are good. At Franford we have accomplished many good things and more are yet to come. During these three years many have helped make those achievements possible. One such person is not only an exceptional classroom teacher but one who also assisted in shaping our lives. This man is the sponsor of the National Honor Society, 13 Club, and Record Book, among others. He is always available to take an active part in most school activities. Both teachers and students alike agree that he is truly a dedicated person worthy of the highest honor that this publication can bestow.

Therefore, it is with great honor, respect, and admiration that we the 1975 **Record Book** Staff, on behalf of the 109th class, dedicate our book to Mr. **Harry Gutelius.**

FAREWELL

As our Spirit Song says, "There are many other high schools, but there's none just quite the same." Indeed this is true, and it has been made possible by many wonderful people. One such person is our recently retired principal, Mr. James Killough.

Born in Philadelphia, Mr. Killough graduated from West Philadelphia High School in 1928. Later he obtained his teaching degree at the University of Pennsylvania. In 1934 Mr. Killough was appointed to teach social studies at Frankford. While teaching, he also successfully coached many J.V. basketball teams and gained the admiration of the student body, as witnessed by his receiving the Record Book dedication in 1937. In 1954 he was appointed vice principal at Olney, returning to Frankford in 1960 as our principal; again he was rewarded the Record Book dedication in January, 1961.

Mr. Killough's achievements were numerous and clearly visible throughout the school. These ranged from the Frankford Foundation, the new wing, and flexible rostering to improvement of the athletic fields, and introduction of a work-study program. Mr. Killough's greatest personal accomplishment was holding off the forces that would have lowered the standards of Frankford.

July 31, 1974 marked the end of a career of 44-years, thirty-four of which were spent at Frankford High School. The 109th class wishes Mr. Killough a fond farewell and a very happy retirement.

WELCOME

The appointment of Mr. James Peters as the sixth principal of Frankford High School has been well received in the school. He is well qualified.

After graduating from Frankford in 1949, he received his teaching degree at the University of Pennsylvania in 1953. Then he served in the army and returned to Frankford to become a social studies teacher. He was highly respected by students, faculty, and administration. He served as sponsor of the 13 Club and the Highway. He was also a coordinator of discipline.

In 1972, Mr. Peters was appointed vice principal in charge of discipline at Germantown High School and remained there two years till his appointment as principal here at Frankford. Mr. Peters truly cherishes the traditions of Frankford and says they are the building blocks of the school's future. A total education of the students at Frankford High School is his primary goal.

We welcome Mr. Peters back to Frankford and we are proud to have him as our principal during our senior year. We wish him the best of success at Frankford in the future.

Frankford Off Fast

Two-way standout Lee Felice caught a 13-yard scoring pitch from Rich Stewart and the same pair then clicked for a two-point conversion to start Frankford (1-0) on its way to a 22-12 conquest of visiting Murrell Dobbins (0-1) in the Public League Division One opener yesterday for both clubs.

Neither team was able to gain much yardage despite the final score. Stewart hit on 4-of-8 passes for 64 of his team's 205 total yards, while the Mustangs totaled 165 yards, 134 on the ground.

Ron Day and Myron Hyman scored the visitors' two touchdowns on runs of 27 yards and 1 yard as Dobbins stayed close until the fourth quarter, but never led.

George Benson and Mike Hegan scored Pioneer TDs on short runs and Mike DeSipio came up with the game's only interception.

Al Angelo was a little surprised with the way his Frankford High football team handled Southern High yesterday. He didn't expect a 36-6 margin of victory.

"I really didn't expect this," Angelo said. "But before the game, our guys were really flying. We were ragged in scrimmages, and I figured we wouldn't start like this."

Frankford was awesome in the first half, scoring 22 points. Richie Stewart passed for two touchdowns, and finished the day with 138 yards in the air.

After the three spectacular plays Felice made during the final drive, there are some people who feel he may be the most complete player in the Public League.

Felice was responsible for three key first downs in that drive. He rambled 32 yards with a screen to the Pioneers 48 yard line. He caught a 14-yard flat pass and lugged it to the Lincoln 36. Then, he made a diving catch of a 14-yarder that put the ball on the Lincoln two-yard line.

All in the line of duty. "Mr. Angelo calls the plays," he said. "I just run them."

1974 SEASON

FRANKFORD — 36 SOUTHERN — 6 Frankford opened their season against their '73 Public League Championship playoff rivals. This non-league game ended in a 36-6 victory as Ritchie Stewart's passing ability led the offense.

FRANKFORD — 22 DOBBINS — 12 In this league opener the Pioneer offensive unit battled to gain some tough yardage. Stewart passed for 2 touchdowns hitting Lee Felice for a 13-yard strike in the first quarter to help defeat Dobbins.

FRANKFORD — 32 EDISON — 6 It was a virtual romp for the Pioneers as the defensive line held Edison to 6 points. Randy Whiteman, Scott Carpenter, Joe Lawinski, and Mike Miller provided their usual outstanding defensive efforts in this game.

FRANKFORD — 32 FRANKLIN — 12 The Pioneers strove toward their division title as the offensive unit sparked by Mike Hagan and George Benson continued to score.

FRANKFORD — 28 MASTBAUM — 26 Frankford took an early lead in this game with a half-time score of 20-6. Mastbaum rallied for 20 points in the second half but Pioneer defense stopped the Panther rally. Frankford scored an important 8 points in this half to assure a win. Key interceptions during the game coupled with Hagan's offensive skills allowed Frankford to retain their undefeated record against Mastbaum.

FRANKFORD — 8 UNIVERSITY CITY — 0 This game was overshadowed by the suspension of 13 Frankford players. The players watched Frankford escape by a narrow 8 points.

FRANKFORD — 18 LINCOLN — 14 This was a miraculous victory for the Pioneers against the highly touted Railsplitters. Benson and Felice starred on offense once again as they accounted for 2 touchdowns. However, the Pioneers trailed Lincoln late in the 4th quarter until they drove for 96 yards in the last 2 minutes.

FRANKFORD — 42 OLNEY —8 The Frankford defense stiffled Olney as the Pioneer offense led by Hagan, Felice, and Tom Nickoletti scored 42 points to scorch the Trojans.

FRANKFORD — 42 WASHINGTON —38 In this tense battle Hagan scored his fourth touchdown of the game with 48 seconds remaining. The Pioneers started at their own 22 with 1:40 left as they pulled off a 78-yard 10- play drive. Felice made 2 spectacular catches on the final drive which culminated in Hagan's touchdown and a tremendous victory.

FRANKFORD — 20 NORTHEAST — 0 In their quest for their sixth consecutive division title the Pioneers shut out Northeast. Fine defensive play by Dave Howley, Jose DelGado, and Felice helped clinch the title. Unfortunately, Hagan scored his last touchdown of the season as he sustained a back injury in the game which sidelined him for the rest of the season.

FRANKFORD — 12 NORTH CATHOLIC — 7 The Pioneers faced a threatening Falcon defense in this match. Stewart executed an effective passing attack hitting Dan Oldfield for the winning touchdown.

FRANKFORD — 12 CENTRAL — 16 In the Public League football championship playoff against Central, Stewart and Benson scored in the first half to give Frankford a 12-8 lead. Great defensive efforts by Felice, Nickoletti and Bernie Laster enabled Frankford to contain Central. Their efforts were not enough, however. With only 1:06 remaining in the game Central blocked Oldfield's punt and recovered it on Frankford's 19. With 41 seconds left Central scored the decisive touchdown.

The 1974 **Soccer Team** carried on the fine Frankford tradition by capturing the City Title. Their championship season reached its climax when the team defeated North Catholic, 2-1 in overtime, for the city crown.

The Frankford eleven sported an outstanding defense and potent offense in route to an undefeated season, posting a 22-0-2 record. Dave Mac Williams led the team and the Public League in scoring while Joe Ryan and Jim Elliot led the rock-steady defense.

The team was comprised of sixteen seniors and five underclassmen. Most of the team had played together on the varsity level for three seasons. Next year looks to be a rebuilding season for the Pioneers, but we're sure Coach Piston will field another outstanding team.

The team had its ups and downs.

This year's **Cross Country Team** had its highlights and its lowpoints. The team won eight of its thirteen Public League races. Frankford placed sixth in the championship race, which saw Murrel Dobbins upset perennial champ Overbrook to capture the Public League. The team also placed third in the Northeast Area Championships and met many new rivals. Most of this season's harriers will be lost to graduation, but Coach Federoff is hopeful for a good crop of young runners and a successful season next year.

VOLLEYBALL

The 1974 **Girls' Volleyball** team had many close games this year and ended their season 4-4. They still have high hopes for next year, but the tremendous effort put forth by the following seniors will be greatly missed: Carla Atkins (capt.), Arcelie Brown, Pat Holt, Barbara Snyder, Brenda Wise, Leigh Plomchok, Georgelynn Bleil, Gail Costello, and Carol Schwinger.

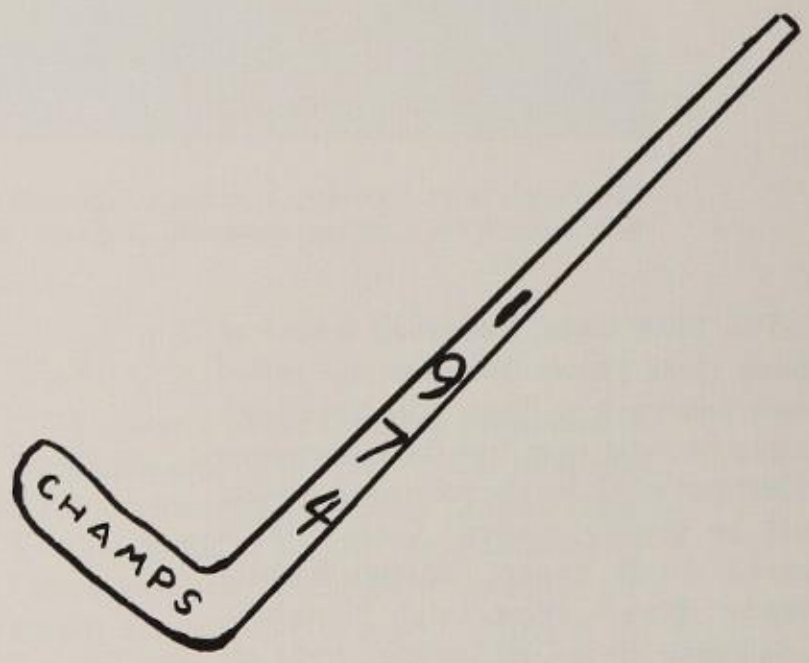
Congratulations to the 1974 **Hockey Team,** coached by Gilda Nardone, for winning the Public League Championship by beating Lincoln 1-0. The team had a league record of 4 wins, 2 ties and 1 loss.

Midway through the season, the team lost their leading scorer, Sue Savage. However, they continued to play excellent hockey as they progressed toward the play-offs.

The play-off game against Northeast ended in a 0-0 deadlock. Frankford was awarded the game on penalty corners. This win led them to the Championship game against Lincoln. Donna Carleo scored the winning goal.

The managers who did a fine job in assisting the team are Karen Fox, Janet Kruckow, and Sharon Bauer.



SENIORS: Coach: Miss Nardone, **C. Valentino, S. Savage, P. Macchia, N. Gramiak, D. Martin, D. Carleo, L. Ranson, J. Wetzel, D. Lindeman.**

This year's gymnastics team is strong due to the return of many talented juniors and seniors. Add to that the potential skill of sophomores and they should improve considerably. The girls do a tremendous job preparing themselves for competition which involves strong concentration and perseverance. The team is losing quite a lot of depth, skill, and talent when **D. Nash, L. Strunk, V. Williams,** and **J. Wetzel** graduate. The seniors who have contributed three outstanding years of support, enthusiasm, dedication, and loyalty as they built up their team include **L. Fisher, L. Jones** (capt.), and **M. Lynch.**

The Pioneers' posted an 8-5 record for the regular season, featuring a much improved, well-balanced attack. Coach Vince Miller did a fine job with his hard-working, disciplined squad. The team, led by captain **Joe Prewitt,** just missed a playoff berth when they tied Northeast and Olney for ficst place. The Pioneers' were placed third in their division, though, according to strength points.

Much of the team will return next year to participate in a revitalized Frankford basketball program.

GIRLS' BASKETBALL

1975 Varsity Team

This year's **Girls' Basketball Team** finished their season with an 8-3 record, losing only to Wm. Penn, Northeast, and Washington. This tremendous record helped Frankford tie Northeast for the #1 position in our Division. The play-off positions were decided by strength points within the Division and Northeast edged Frankford out by one point to claim a play-off berth. The girls' varsity was co-captained by seniors **Charlotte Valentino** and **Carla Atkins.** These girls, both guards, were the playmakers of the team. It was their speed and agility that made the plays work. Seniors **Chris Adams** and **Cindy Bodziak,** and juniors Laurel Auwater, Kathie Fitzgerald, Nancy Przybylinski, and Andrea Pontious rounded out the squad, which was coached by Miss Doris Kerker.

The **Student Board** represents the student body in a manner similar to the City Council. The students of each advisory section select a representative to attend the meetings. These representatives are the agents through which the students express their desires and ideas for the improvement of Frankford High School. Dues for school projects and collections for charity drives are taken by the Board members in each advisory. The sponsors are Mr. Twining and Mrs. Iatesta.

JUNIORS

The **Student Board Executive Committee** is made up of four members from each class, elected by their separate classes and the officers of the Student Board. The Executive Committee takes care of all business preparation of the Student Board and of organizing special committees in order to run an effective student government.

The Seniors are **Dan DiRienzo, Marylynn Szeliga, Debbie Boyle, Debbie Piesch, Debbie LaFrado.**

The A.A. office has many student members that work very hard. The faculty sponsor of the **Athletic Association** is Mr. De Gregorio. Our school's athletic activities are financed through the collection of admission fees. The contributors are then entitled to a book of admissions to all athletic events. The Athletic Association takes charge of the distribution of such materials. In addition to the student members of the Athletic Association there are four senior athletic secretaries who are responsible for coordinating the activities. This year they are **Sharon Hannah, Sue Williamson, Sue Savage,** and **Corkey Capriotti.**

Thanatopsis once again kept its membership busy with service to the school and the community. They were responsible for bulletin board and showcase displays, pep rallies and clean-up projects, Heart Fund and Hemophelia drives. As well, Thana extended its efforts to include monthly visits to Riverview Home for the Aged and fund raising projects for Camp SPIN, a summer camp for exceptional children — THANA serves.

This year's officers are **Debbie George,** president; **Beverly Shoch,** vice president; **Patty Bachman,** recording secretary; **Karen Fox,** corresponding secretary; **Peachy Golebiewski,** treasurer; Mr. Frank Donohoe, sponsor.

The **School Store** is now in the completion of its fourth successful year under Mr. Gonsiewski's supervision. The school store, along with all its members, has been a great service to Frankford High. It not only offers students convenience for their school supplies, but also gives its members practice in business management. We are sure the school store will enjoy continual success!

Senior members are **Cindy Bodziak, Dave Cantore, Rick McCaw, John Boddie, Barry Clemson, John Hall, Dave Howley, Dave Machamer, John Schmid, Ed Walsh.**

The **World Affairs Council** of Philadelphia has a wide and varied schedule of activities. Some of them include all day trips to New York and Washington. There are Saturday morning forums on some very interesting subjects. Last year, as well as this year, the council looked forward to their trip to the University of Pennsylvania where a model United Nations was held. This was made up of representatives of 299 schools in the Tri-State area. All in all, the year is enjoyed by all the World Affairs Council members.

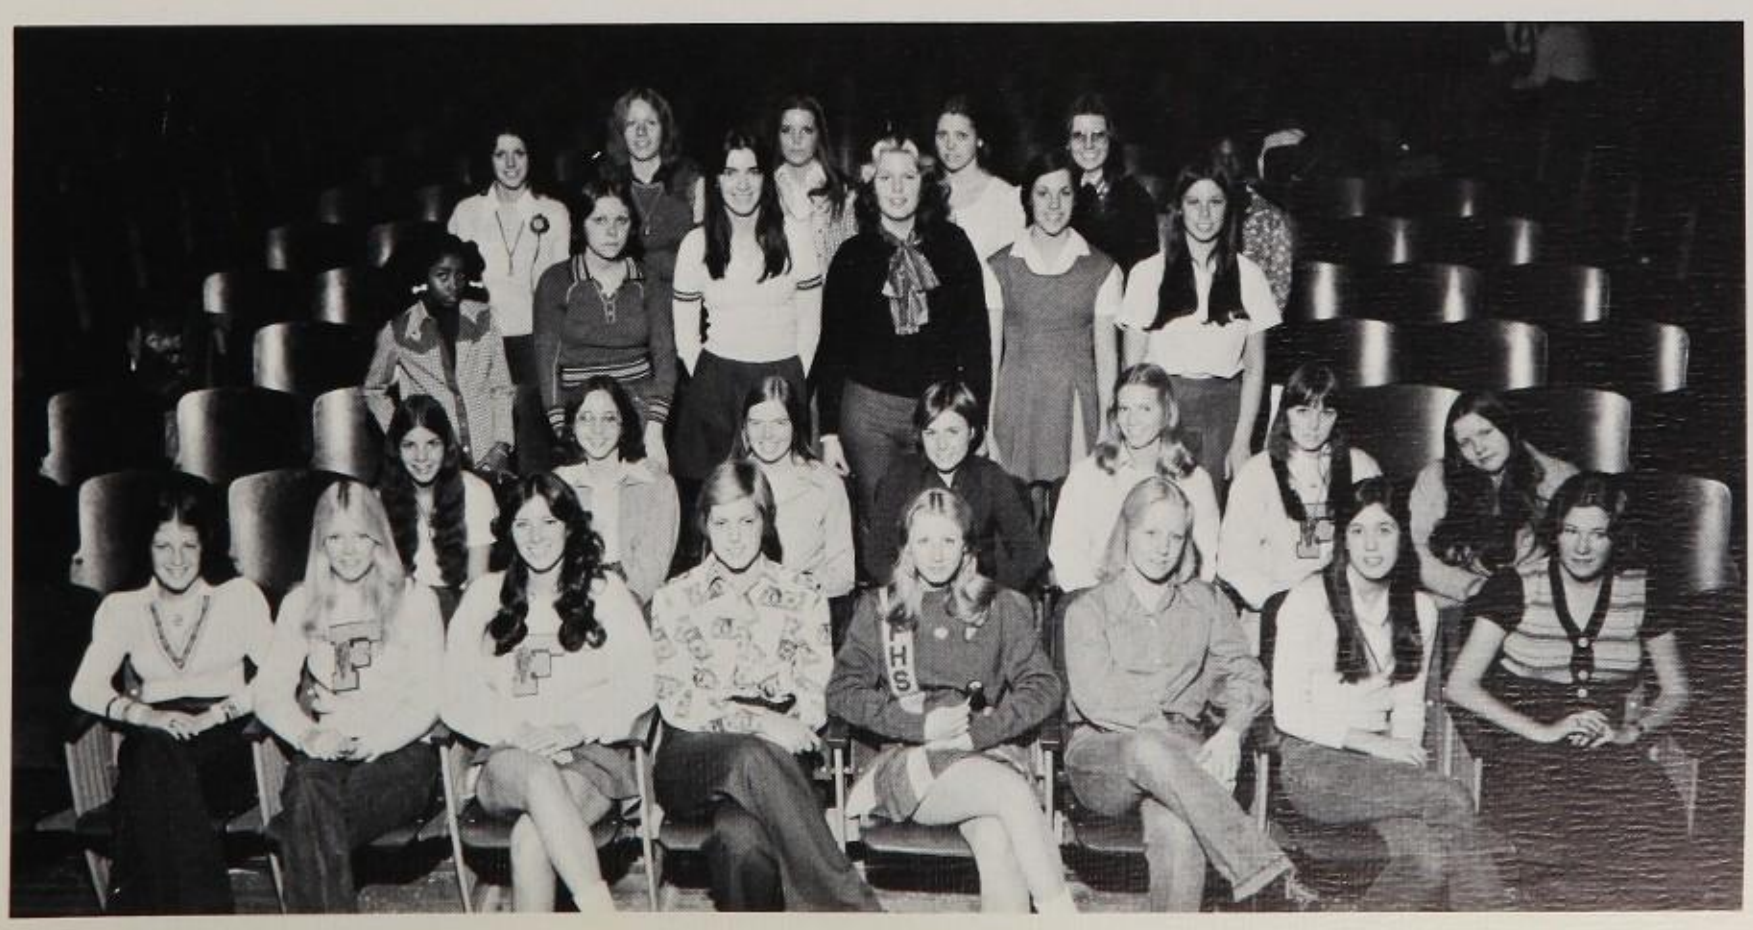
The program includes service to the school, the YWCA, and the community, as well as social activities. The officers are **Pat Bachman,** president; Louise Link, vice president; **Peachy Golebiewski,** secretary; **Linda Cianfrani,** treasurer; **Lynn Skorupa,** program; club sponsor, Mrs. Wagner.

The **Usher Association** is composed of active girls who try to make school functions more successful. The members usher at graduation, spring and winter shows, and other events.

Head usher is **Lynn Skorupa;** Mrs. Dickstein is the sponsor.



OFFICE AIDES

The **Office Aides,** under the skillful direction of Mrs. Marks, spend many of their free periods assisting the school's secretarial staff. They help in filing, telephone operation, and other odd jobs in the main office. The tasks that they perform are of great service to the smooth and effective functioning of Frankford's office and provide the aides with beneficial secretarial experience.

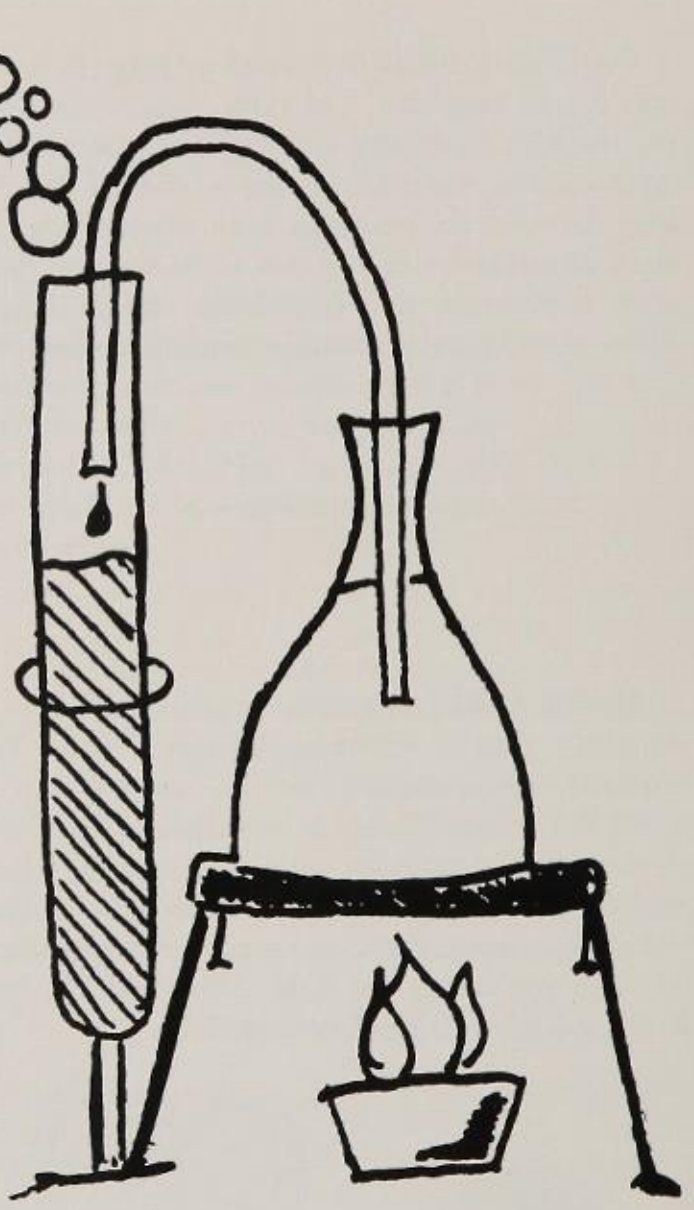
The **Counselor Aides** is a service activity open to work at least one period a week in the counselors' office. This group, under the supervision of Mrs. Hill, furnishes valuable assistance to the counselors by service as receptionists.

COUNSELOR AIDES

The **Library Aides** of Frankford High School offers a rewarding experience for all members. The aides, supervised by Mrs. Stridiron, our librarian, and Mrs. Goldberg, our secretary, learn the many details of running an instructional materials center — clerical details, circulation of materials, and, most of all, working with other students. When trained, aides are more appreciative of the role of books and reading in their lives. Knowledge, experience, and friendship emerge from contact with the Library Aides to make membership a memorable one.

Health Aides is a service organization now in its ninth year at Frankford High School. The students who volunteer for this service activity assist the school nurses in manifold ways. Some of their duties include running errands, filing medical reports, answering the telephone, filling out appointment slips, and acting as a receptionist. The sponsors are Mrs. Margaret Nevins, R.N., and Mrs. Sylvia Dumont, R.N.

The Frankford **Hospital Practice Program** is coordinated by Lou Hoffman, commerce teacher, Joan Kratowiz, R.N., and Margaret Sullivan, R.N. The program is offered to all grade levels, but only thirty students can be selected. The students work as nurse's aides in the morning and attend classes at Frankford in the afternoon. The students are presented with certificates at a luncheon upon completion of the course.



The **Science Club** of Frankford monitors the pollution level of the air and water around the city; they also study the relationship of the pressure and temperature on the dirt particles' count.

The co-leaders are **Barb Merrill** and **Chuck Raudonis.** The staff members are Gail Guth, **David Dumsha,** Dave Moore, Randy Miller, and Carolynn Lynn.

JR. A.M.S.

Membership in **Junior Administrative Management Society** consists of four outstanding seniors in advanced stenography (Transcription) classes. Aims of the club are to acquaint students with the various opportunities available in the business world and to create a closer relationship between high school students and office executives. Meetings are held once a month in offices of different center-city business firms. The sponsor is Mrs. Rose Appell.

The FHS chapter — first in Philadelphia — has a membership of 30 and is growing.

The **Distributive Education Club of America** offers students the chance to be the future business and trade leaders of the world. The purpose of DECA is to develop vocational understanding in the field of distribution, to promote civic consciousness in the youth of America, promote social intelligence, and develop leadership in the students participating in DE.

The **DECA Stock Club** is made up of the officers of DECA, and they discuss how to invest the funds raised by the club. They research the opportunities in the stock market and report their findings to the general membership of DECA.

The **Stage Crew** serves best when it serves unnoticed. Captained by **William Lloyd** and co-captained by Craig Starr, the crew routinely operates the auditorium sound system, audio-visual equipment, and the house and stage lighting. Members, which include **Mike Traynor,** Joe Porter, and Ed Witham, are also responsible for custody of the equipment, for simple repairs, and for general cleanliness. There are also special duties that are not so routine. Examples are the Spring Show and the Cinderella Pageant, which involve the crew in many hectic after-school hours.

The **Locker Committee** is headed by Mr. Glovacz with the help of Mr. Smith. The Locker Committee is responsible for keeping locks and lockers in working condition and seeing that locker regulations are observed.

The **Leaders Club** is open to girls in all Physical Education Classes. The only requirement is that they enjoy Physical Education and desire to be of assistance to their teacher. They come every Monday after school to participate and to learn the skills, drills, and dances. In their regular Physical Education class they demonstrate, assist in moving and using equipment, and occasionally grade or record grades in minor activities.

THE FRANKFORD HIGH WAY

Mr. Leonard Zatz the High Way Sponsor and Distributive Education Teacher Coordinator writes:

As we look forward to a constructive and creative year at Frankford High School, for students and faculty members, we are quite heartened by the enthusiasm and loyalty displayed by everyone on the soccer field, football field, hockey field, in the classrooms, and at the on-the-job training

There seems to be a more somber determination to make it in this fine school, this good community, and this democratic nation. The reporters of the High Way staff have brought back the word that students are eager to learn more about philosophy, ideas, and concepts. Students are more conscious of fashion, style, and art. Upward mobility via knowledge, education, and imagination seem to be a key theme amongst the seniors of this great institution. One

FIRST ROW: Karen Skene, Cathy Zeller, Annette Klinger, Karen Fox. **SECOND ROW:** Sue Feola, Cindy Bodziak, Miss DePrisco. **THIRD ROW:** Karen Thompson, Wanda Fletcher, Beverly Shoch, Linda Cianfrani, Charlotte Valentino, Pat Simolike.

Danaides, which derives its name from a Greek legend that stresses service to others, is an organization of senior girls. The club honors those girls who have displayed a combination of leadership, participation in school and community activities, good scholastic averages and popularity. In recent years, Danaides has helped purchase necessary equipment for the school, has aided handicapped persons, and has given art awards at graduation exercises. Danaides' cake sales are a Frankford tradition.

The officers are Annette Klinger, President; Linda Cianfrani, Vice-President; Cathy Zeller, Recording Secretary; Karen Thompson, Corresponding Secretary; and Bev Shoch, Treasurer. The sponsor of Danaides is Ms. DePrisco.

The **National Honor Society** is a national organization which gives official recognition to the students with outstanding scholastic achievement who also exemplify high standards of citizenship, service, leadership, and moral character. Frankford members comprise the "Pioneer Chapter" whose major project has been coaching fellow students and is under the sponsorship of Mr. Harry Gutelius. Meetings are held once a month at the homes of members.

The officers this year are Sue Feola, President; Barbara Stepien, Vice-President; Marylyn Szeliga, Secretary; Barry Clemson, Treasurer.

The **Business Managers** have the responsibility of collecting class dues from the graduating seniors. The representatives, who are chosen from each advisory, take daily returns to the senior financial adviser, Mr. Andrew Folino. The dues pay for **The Record** and other senior expenses.

The **Winter Dance Committee** consists of representatives bringing ideas and suggestions from the advisories they represent. Within the committee are subcommittees exploring the following: entertainment, ticket sales, site, and refreshments. They report to the entire committee their responses and suggestions.

The **Luncheon Committee** plans all the details for the annual affair held at the Four Chefs. The Committee plans the events for the day, makes up the printed program, and organizes the seating arrangements. The Committee's biggest job is to provide the entertainment which comes before the **Record Book** distribution.

The **Trip Committee** works out all the details for the annual spring senior trip. The Committee helps to choose the location, distributes necessary letters and tickets, and assists Mr. Gonsiewski and Mr. Folino with any other necessary details.

The **Cap and Gown Committee** assures dignity on Graduation night. This the final ceremony of every senior's stay at Frankford. One representative from each senior advisory assumes the responsibility for measuring, ordering, and distributing the graduation cap and gown to each senior in his section.

The **Alumni Committee** are the representatives from each senior advisory that are elected at the beginning of the year. They act as liaisons between the Alumni Association and the student body.

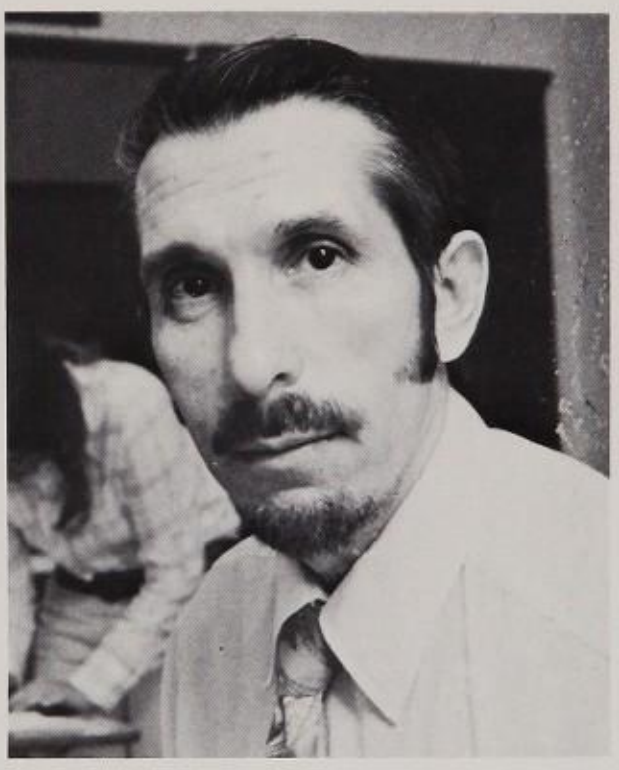
FAREWELL TO . . .

Mrs. Estella Carroll, who has taught girls' physical education for the past two years at Frankford, will retire this June. Mrs. Carroll previously taught at Girls' High, William Penn, and Northeast since joining the system in 1962. During that time she coached volleyball, dance, and badmitton — activities in which she was active in her days as a student at Overbrook. She is a 1933 graduate of Temple University, is married and the mother of five, and has six grandchildren. We wish her well in her retirement.

IN MEMORY OF . . .

A FACULTY MEMBER



Mr. Bertram Greenspan of our Industrial Arts Department passed away on January 23, 1975, after a short bout with terminal cancer. Mr. Greenspan was a graduate of Drexel and worked as a mechanical engineer until he began his teaching career at Wagner Jr. High School. He joined Frankford's staff in September of 1973 teaching mechanical drawing and shop math. Mr. Greenspan was married and the father of two.

TWO FELLOW CLASSMATES

During our three years at Frankford, two members of the 109th class passed away. One, late in our sophomore year and the other, just over the past Christmas holidays.

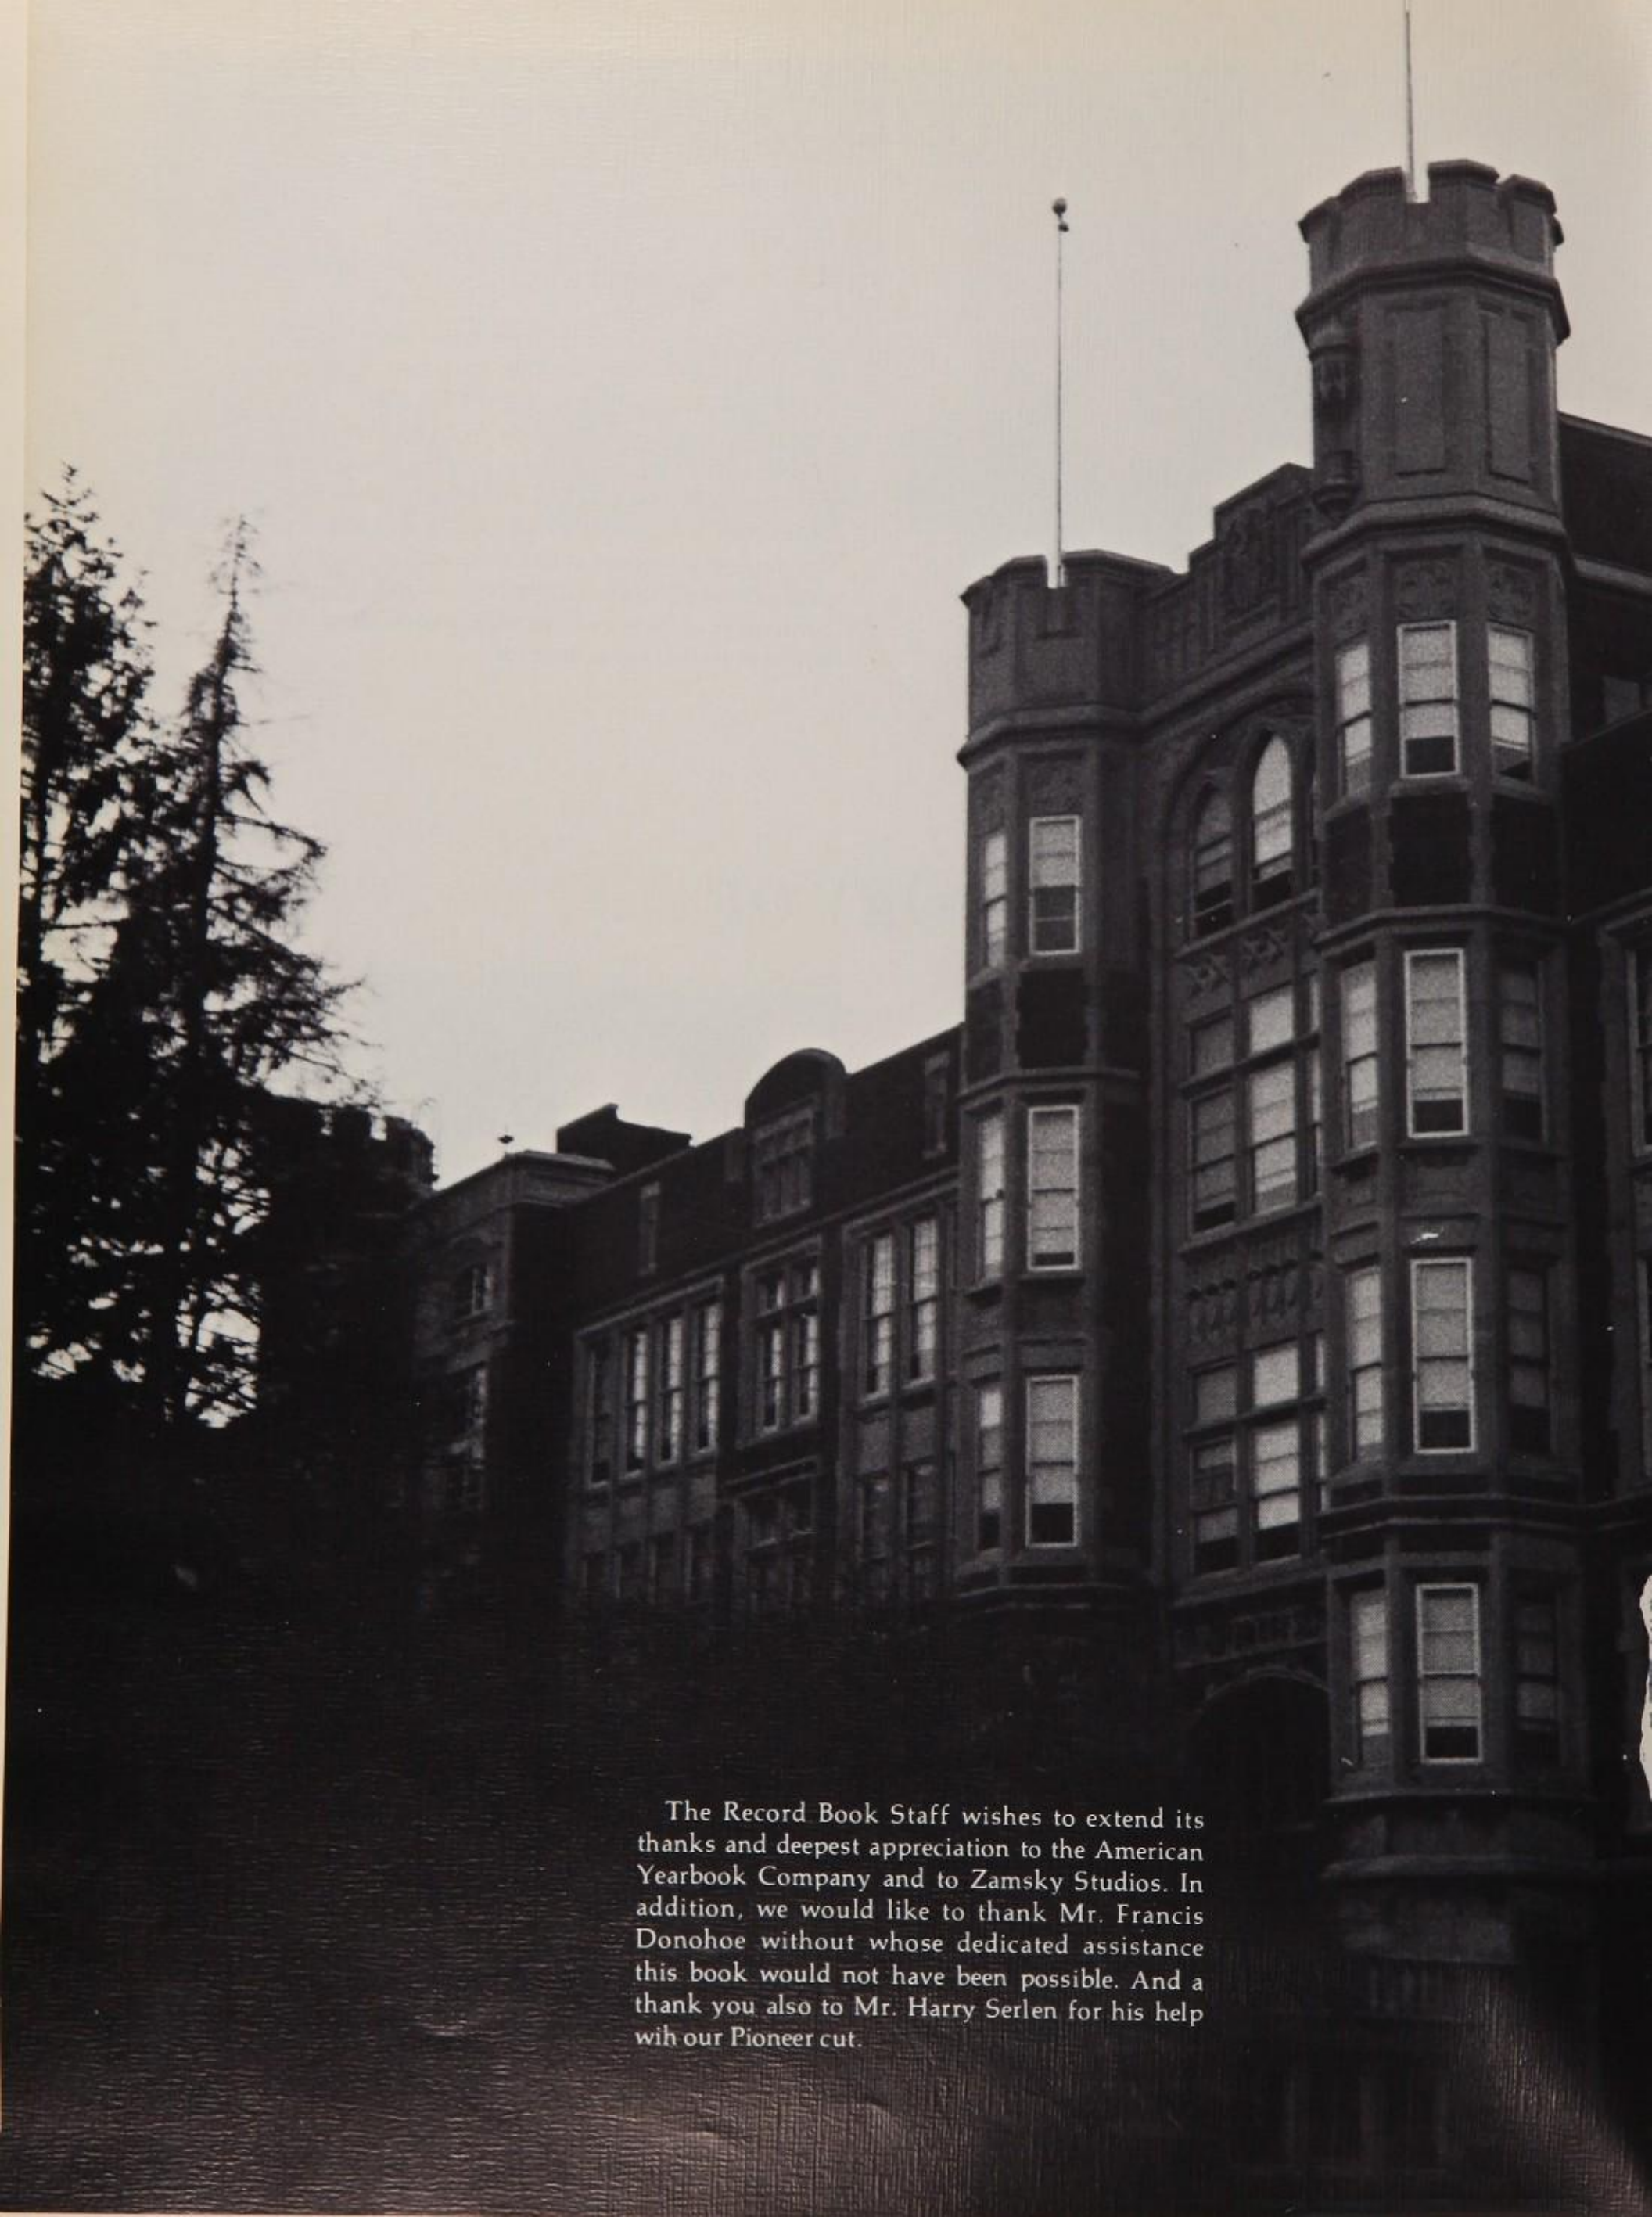
Carl Melvin Blackson: 3029 Baltz Street

On December 25, 1974 during his senior year, Carl was in a fatal car accident at 33rd and Oxford Drive. He was taken to Philadelphia General Hospital where, suffering from terminal injuries, he died on Christmas evening.

Carl attended Harding Junior High and from there he came to Frankford. In his last year, Carl was in Bk. 102, and Mr. Boykin was his advisor. Carl was a friendly, quiet person who had many friends. He also worked at the Frankford Arsenal.

Stephen Klein: 3251 Tampa Street

June 4, 1973, Stephen drowned in the Schuylkill River while on a Sunday's outing with some friends. Efforts of a close friend to save him failed and Stephen was pronounced dead on arrival at Roxborough Memorial Hospital that afternoon. Stephen was only fifteen at the time and had come to Frankford from North Catholic after his freshman year at that neighboring school.



The Record Book Staff wishes to extend its thanks and deepest appreciation to the American Yearbook Company and to Zamsky Studios. In addition, we would like to thank Mr. Francis Donohoe without whose dedicated assistance this book would not have been possible. And a thank you also to Mr. Harry Serlen for his help wih our Pioneer cut.

changing me.

SOPHOMORE YEAR

Late September, 1972, marked the beginning for the 109th class at Frankford High School. The semester didn't begin on time in September due to a three week teacher's strike. The first two football games were cancelled and we tenth graders got a late start. Finally, in October, we settled down to regular rosters. We found our football team to be the best and we cheered the Pioneers on to compete in the City Championship Game in December. Things went quite smoothly for our sophomore class through Christmas.

The Christmas Concert was held only one night this year, just before the holidays. It was the first time for us to see the coronation of the Snow Queen. The show was very enjoyable.

The Christmas Concert featured the stage band, the concert band, and the choir. Our famous choir had just returned from a successful tour of Europe over the summer, and they were superb under the direction of Mr. King.

Christmas "vacation" was cut to two days. The abbreviated holiday was due to a student walkout which had occurred at several schools in the city. It was called to protest the loss of our holiday. But upon returning, we were given more time off; however , this vacation was rather lengthy. Again a teachers' strike had been called, and this one lasted nearly two months. It was almost spring before we returned. That season all winter sports were cancelled.

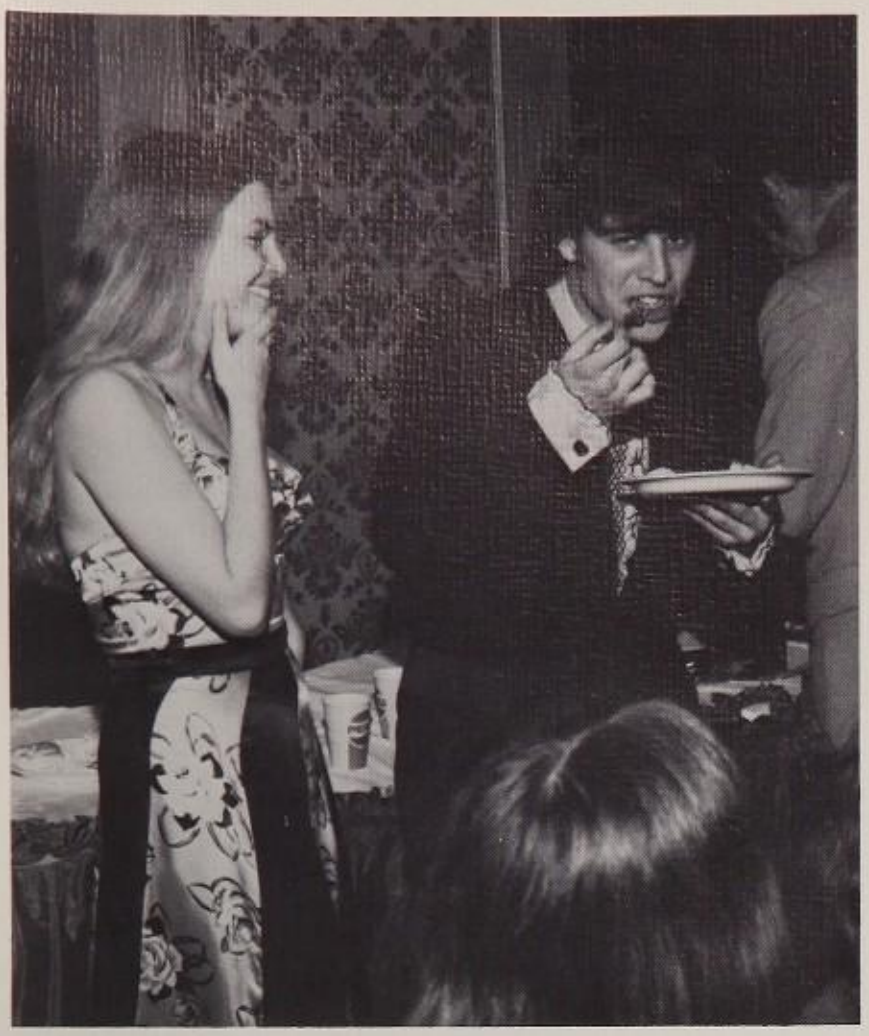
It was a year of ups and downs for we tenth graders at Frankford, and there were few things left to enjoy after we returned in March. One highlight of the spring was new to us: Tag Day. Everyone was on hand to participate in the games and the afternoon was full of laughs.

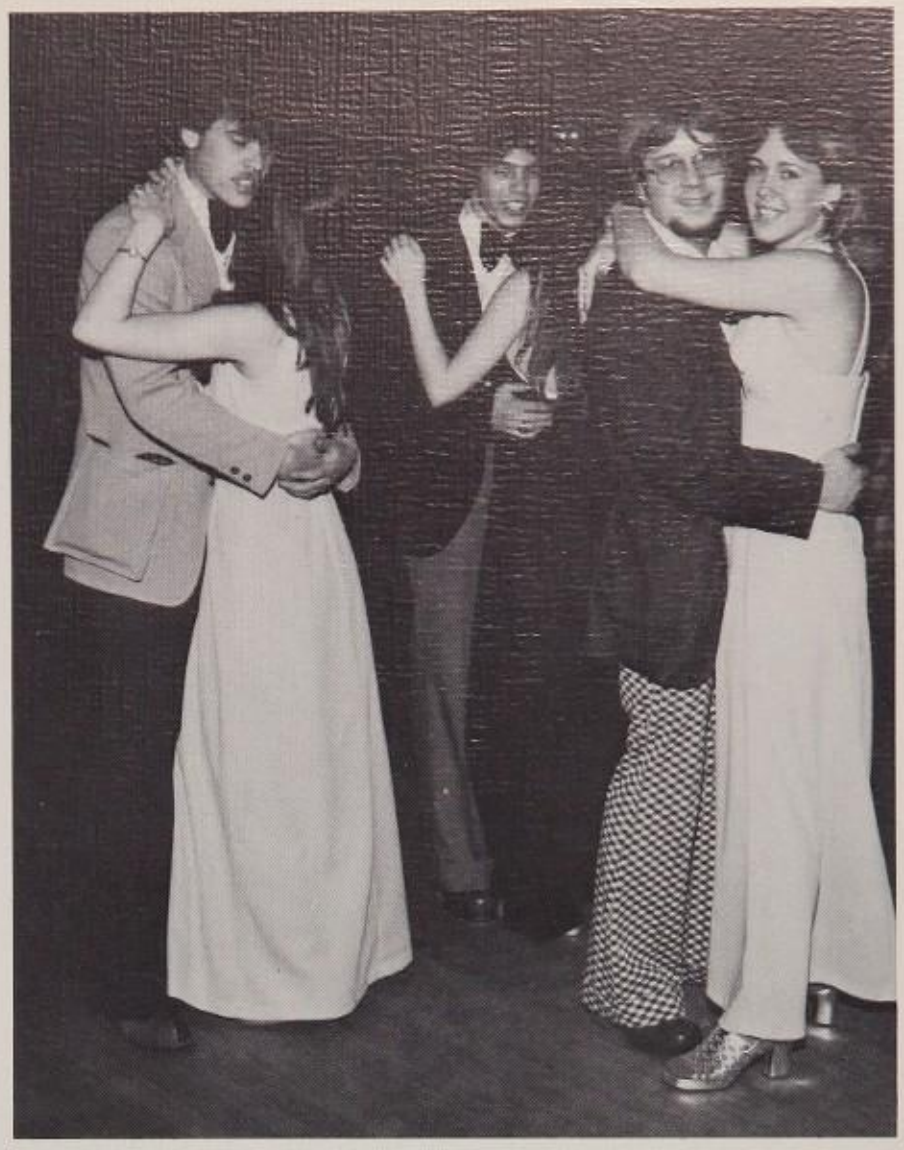
JUNIOR YEAR

Our second year at Frankford got off to a much better start. The fighting Pioneers took the Public League title in football with a heart-grabbing win over Southern,14-13. It was a shame when, for the second year in a row, we saw Frankford lose the City Championship, this year to Cardinal O'Hara. The Christmas Show, held on December 20, was as delightful as it had been the past year. The Snow Queen and her court, as usual, were pretty examples of the Senior class.

An addition to the school year for us was the School Show held in the Spring. Due to the strike sophomore year there had been no time to prepare it. "Cinderella Drofknarf" was a big hit, with students and faculty in the starring roles.

The year passed smoothly enough, and the spring brought 1974's Tag Day. There were races, relays, and faculty-student basketball games. The star player was Mr. Jimmy Killough, the principal. One of the highlights of the afternoon was when the senior boys performed the girls' gym dance. They did a good job and they looked pretty cute, didn't they?





STAIRWAY TO HEAVEN

The biggest event during our second year at Frankford was the Junior Prom held on February 22, 1974 at the Charisma Room. Entertainment was provided by The Brian Pastor Orchestra. The night featured food, refreshments, and plenty of dancing. The night was a complete success and remains a pleasant memory for all who attended.

The reputation of our fantastic Pioneer Football team was upheld right through to our senior year. Frankford compiled an 11 and 1 season in '74 and truly it was the traditional Pioneer spirit that pulled the team through two heart-stopping wins over Mastbaum and Washington. Amid the tears and cheers were brilliant offensive and defensive efforts which led us to our 6th straight divisional crown and a shot at a 4th consecutive Public League Title. We even managed to "fry the Falcon" this season by 12 to 7 in the traditional Turkey clash at Temple Stadium. This win made us confident that there was a chance we could go all the way. The Marching Unit put in extra hours of practice to be in perfect form in case we made it to the City Title game that would be televised. We had only to win one game to capture the Public League Title. But perhaps we were a little too overconfident. Central met us head-on and handed us our first defeat of the season in the Public League Title Game. No loyal senior will ever forget as those last seconds ticked away with the scoreboard showing the Pioneers lagging by four points. But not even that blow could dampen our sturdy spirits. The season was ended, yet we had no regrets. The Pioneers had given the Class of '75 lasting memories of a winning team who always played the game well, no matter what the outcome. We take with us only fond memories of two City Title games, a countless number of victories, and several spirited pep rallies.

Two other sports had outstanding championship records in the fall of our senior year. Frankford's Girl's Hockey Team became the Public League City Champions in December. Donna Carleo scored the lone goal that gave them the title in a 1-0 victory over Lincoln. The next week Frankford was to clinch another City Title, this time in Soccer. The boys topped Southern and Central in the divisional playoffs and shut-out Mastbaum to win the Public League Title. Then we met our long-time rival North Catholic at Temple Stadium in an exciting game that gave us the well-deserved City Title in Soccer. These fantastic champion sports teams only added to a spectacular year at Frankford that will long be remembered by the 109th class.

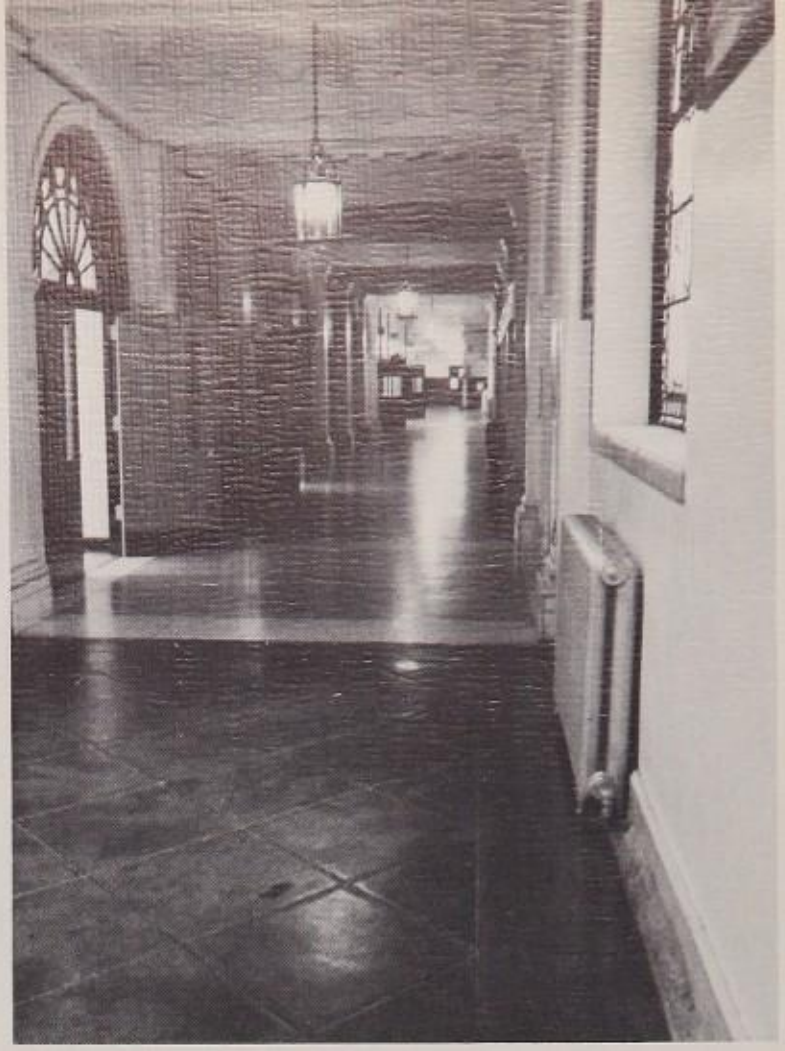
The first major social event was the dance sponsored by the Marching Unit and held in the gym. In the tradition of Frankford, attendence was tremendous and everyone joined in on the dancing, and even some singing.

The day before we met North Catholic in our traditional Thanksgiving game, our new principal, Mr. Peters allowed us to hold a pep rally in the auditorium. Nothing is more fun than a thousand kids at a lively pep rally! Our energetic cheerleaders and the irrepressible Mr. DeGregorio livened up the crowd with several spirited cheers and the whole building rang as we hailed our team with several renditions of the Fight Song, the Victory Song, and the Spirit Song. The highlight of the afternoon was Bobby Neveil's appearance on stage as the North Catholic **Falcon** who got "plucked."

In November it was time for the annual **Football Dance** held at the Veterans' Post in Frankford. It was a wonderful way to celebrate our "frying the Falcon" on Thanksgiving. The evening turned out to be a complete success.

The **Christmas Show** held on December 18 this year featured our choir, band, and orchestra, who all performed with equal brilliance. The evening's entertainment was, as usual, thoroughly enjoyed by all. From our senior class we chose our Snow Queen, Holly Candy. The highlight of the night was the crowning of the Queen and her court.

January 17 was the first of many nights exclusively for Seniors. It was our **Senior Winter Dance** held at the Doral. The entertainment was provided by **"Later"**, light refreshments were served, and a good time was had by all.



Yes, this was our most memorable year at Frankford. They say that the best times of our lives are never forgotten, and our senior year is no exception. We were on top, and everything else revolved around us. Those who got involved had the greatest personal satisfaction from helping to make it a most successful **Class of '75.**

Everyone feels at one time that he wants to be free, especially from school, but there are certainly more than a few members of our graduating class who will look back later and discover how much they really do miss Frankford and the activities they enjoyed while here.
